PHILOSOPHY

To provide our students with the best chance for improvement through sound fundamentals and the simplest and most direct path to reach each student's individual goals.

FACILITIES

Teaching Centre

The state of the art teaching facility at Marine Drive includes two indoor hitting stalls, as well as a 5,400 square foot grass teaching area. The teaching centre is equipped with video equipment and various other teaching aids. There is also a large short game area with a full size chipping green and two bunkers.

Practice Facility

The driving range boasts a 15,000 square foot grass practice tee which can be used May through September as well as seven covered stalls. We also have a large putting green and extensive short game practice area.

GROUP PROGRAMS

Group Lessons

(2-4 people for 1 hour)

Gather some friends together for a fun, social hour of instruction. These lessons will be offered in series of 3, 5 and 10. Ask your instructor for pricing.

Practice Clubs

(4-6 people for 90 minutes)

Your group will gather for a weekly practice session which will be supervised by your instructor. These will be offered in series of 5, 10 and 15. Ask your instructor for pricing.

Camps

The Professional staff will be offering some one day short game camps this Spring and Summer. Ask in the Golf Shop for details.

Corporate Groups

Ask the Professional staff to arrange a clinic for your clients or staff. We can accommodate groups of up to 12 people for up to 3 hours. This would be a great addition to your corporate lunch, dinner or meeting.

PRACTICE WITH CHAMPIONS

Throughout the years Marine Drive has become known as the “Club of Champions”. Marine Drive received that title not only for the numerous National and Provincial Championships it’s members have won, but also for the large number of single digit handicappers that call Marine Drive home. At Marine Drive it is not only the tournament player that works on their game, it is members of all abilities.
